

Domestic Ticket Issuance for ROTI Transaction (Redistributed from Outside, Ticketed Inside)

Dear Valued Travel Agents,

To ensure accurate GDS/DTP pricing and to maintain the integrity of our domestic fare structures, Philippine Airlines is implementing a revised policy regarding the sale and ticketing of domestic fares.

Effective 01 August 2026, all tickets for domestic routes originating within the Philippines, **utilizing PHP and USD Domestic Fares filed for Philippines Point of Sale (POS)**, must be SOURCED, SOLD, BOOKED and TICKETED in the Philippines. **Tickets Redistributed from Outside, Ticketed Inside (ROTI) for these fares will no longer be permitted.**

Strict adherence to this policy is mandatory. We value our partnership with our Travel Agents and understand the importance of clear guidelines. To ensure compliance and promote fair business practices, any Travel Agent found to be circumventing this policy will incur a penalty of **USD25 per violation per passenger shall be assessed in the PNR and shall be charged as ADM to issuing agency**. PAL likewise reserves the right to impose such other corrective measures as may be appropriate.

To provide further clarity and prevent unintentional violations, we have outlined the following examples of actions that would be considered non-compliant.

Examples				
CONTENT SOURCE	BOOKED	ROUTING	TICKETING	REMARKS
HKG	PH	MNLCEBMNL	PH	ADM USD 25
PH	PH	MNLCEBMNL	PH	ADM not applicable

Above examples are for illustrative purposes only and are not an exhaustive list of all possible violations or scenarios.

PAL may, at its sole discretion, review booking patterns, sales data, ticketing activity, and other relevant information to determine compliance with this Circular.

Note: Travel Agents outside the Philippines may still SELL, BOOK and TICKET Philippine Domestic fares filed in USD for their respective Point of Sale.

We are committed to continuously improving our processes, ensuring the integrity of our fare structures and creating a level playing field for all travel agents. We appreciate your support in implementing these changes and look forward to our continued partnership.

This policy is in conjunction with Philippine Stand-Alone Domestic Fares Changes (CIRPR26-008 Dated 05 March 2026) and Domestic Ticket Issuance for SOTI Transactions (CIRPR25-010 Dated 14 March 2025) and Sales Agency Terms and Conditions item no.7 [Redistribution](#)

Thank you.
